Dear Brethren:

I would like to thank you for your support of Perry and Sandy on their mission work. They have been such a help and a joy to have working with us. We have appreciated their evangelism efforts, sermons, class teaching, weeklong gospel meetings and fellowship immensely. They have generated excitement throughout the whole congregation. It is hard for a small, poor church like us, in a difficult mission field, to ever get people to come and help us with ministry, so they have been a real treat for us. Their type of work is much needed and I wish there were many more doing the type of work they are doing. I also feel I have made great friends and a mentor, as again being in a somewhat isolated area I do not get much of a chance to associate with other preachers. Their time here has been a real encouragement to me in many ways. I wish we were able to keep them here forever, but I know wherever they go they will be a blessing and a force for good and God's work.
