Whither We Goest, Thou Goest: By Your Prayers And Financial Support

Rejoice with us: our middle granddaughter, Samantha, obeyed the gospel. What joy for us to hear this good news. We are proud of her and her older sister Sher'ril, and their parents – for their desire to serve God.

Speaking appointments in December: If any of you in the TN / AL area would like for me to come and give an update on the work, or discuss the possibilities of having a tent (below) it would be more convenient for me to do so in December. We have done this mostly in January in times past, but in the future I will plan on December. There are several reasons for this, one is we need to go to our winter work the first of January. Also we will set our yearly doctor visits in December. For those outside TN / AL area it would be more convenient for us to be able to do so when we are nearby. Let us know and we will work it out.

Providence of God: Though my website is not very “visible” to the public, yet through it we received a contact from Elizabeth in Kenya for a study. I contacted several here in the states in order to find a missionary near her. I finally got in touch with Samson (preacher) near Kenya, he went and taught them -- a denomination of about 50. It is also set up for him to go back and preach for about four days. Elizabeth said she could gather about 150 to be taught. Mars Hill congregation sent them about 150 tracts of each subject we have plus some of their tracts and Bibles. We appreciate them handling our tracts. They do a very good job.

It has been a busy month of door knocking (924 packets in 2 towns without the church), planning future work and getting info on tents, etc. And looks like a busy 2015: Jan.-March we go to AZ for door knocking (DK) and gospel meeting (GM); April to TN for GM; May-June to IL for DK & GM in a tent we hope (below); June to VA for DK & GM in tent – I hope ours and not a rented tent.

Planning a tent meeting at Pinckneyville, IL fairground: a town of 5,500 without the church of Christ.

Please mark your calendars. Dates: June 1 through the 7th for the **tent meeting**. May 25th through June the 6th for the door knocking. Door knockers could come anytime during that time, but early is better.

Saving money to help save souls: I've been thinking how to save money so we can buy a tent. It is almost time to order some more tracts and by ordering more of each tract we can save **about \$634.00** per individual tract order. There are four main tracts to order, so 4 orders saving \$634 each = **\$2,536 savings**. The brother wanting a gospel meeting in VA mentioned wanting a tent meeting there and checked on renting one. He emailed, “Looks like about \$400 for a weekend or \$600 for a week for a 20' x 30' tent.” Sandy checked here and to rent a 30' x 30' tent would be \$639 for a week. For a 30' x 45' for a week it is \$735.

We can save money in the long run by purchasing a tent and also be equipped to do more and better evangelistic work helping small congregations and holding tent meetings in places without the church. Keep in mind it can, and prayerfully will be used many times in the future thus saving much more money which can be used toward more soul saving.

Budget your money and time soon to help us in these endeavors. Please donate what you can for these efforts as soon as you can. We need to know early what we can do so we can make better plans. Any money collected more than we need for the tent will be used for extra expenses and material. Your money will be put to good use. If we can buy a tent by April 2015 that would give us enough time to be ready for the gospel meetings.
