“Go ye into all the world, and preach the gospel to every creature.” (Mark 16:15)

January 7, 2012

Dear brethren,

Here is a brief outline of our work. Please read through it and if you have any questions please let us know. We would be most happy to help you all in any way that we can. Please let us know.

What we do:

- **Door knock**, talk briefly with the people (show ourselves friendly) and invite them to services.
- Try to sign them up for the **BCC** (Hurt’s 8 lesson course or whatever BCC the church there uses); and if the occasion presents itself, set up home studies.
 - We have people who will take care of any BCCs that are signed up or you all can do that.
 - If you are not set up for it, we can help get you started if you desire.
- Hold **Gospel Meeting**, if desired, in conjunction with door knocking.
- **Preach** and **teach** as needed.

Our main objective is to get the good sound material (below) before the people in a good and friendly manner and invite them to church services. We believe Romans 1:16; Luke 8:15; 1 Cor. 3:6, etc. We will plant the seed to this extinct and the local church members and preacher can follow-up with the watering.

Tracts we use (all in a plastic door hanging bag):

- What must I Do To Be Saved? Bill Jackson
- Authority In Religion – Rod Rutherford
- Have You Counted The Cost If Your Soul Should Be Lost? – Rod Rutherford
- Identifying The True Church – Rod Rutherford
- Our introduction tract.
- Our BCC.
- Local church’s brochure (We can make this up, but the local church should have it printed).

The cost to you:

We do not charge for our services. However, like most things it does cost to do this work. **If** the church there is able to make a donation to help cover the cost it would be greatly appreciated (see below). Some congregations make no contribution. Others far exceed the expense of material passed out in their area. This work is made possible by congregations and individual Christians who see the need for such works and want to be a part of it (cp. Phil. 4:17). We greatly appreciate them all, their prayers and every contribution no matter how small. A packet of material cost us about 50 cents.

What you all should do:

1. Determine about how many households are in your area so you will know how many brochures to make up.
2. Have brochures made up with the church’s information on it to cover the area you would like to cover. You may already have something.
 - a. If you would like, I can use what we have and put your all’s information on it.
 - b. Or, if you all would like, you can take the brochure that I have and redo as much of it as you would like.

- c. Another possibility is to use the Gospel Minutes Ads with your information on it.
3. Acquire a good map of the area (so we can mark where we have worked so as not to overlap).

What we request IF you are able to do so:

1. Make a donation, **if** you are able, to our sponsoring congregation to help cover the cost of our material that we use (about 50 cents a packet and \$1.00 for each DVD we give out). We normally do not give out many DVDs, but it is available to anyone who sends in for it.
2. Provide us a place to park the motorhome with full hook-ups **if** you have it available as some do.

We may be contacted at (540) 742-3658 or email at jpsexton@peoplepc.com You can learn more about us by going to our web-site www.mission-usa.org

Because of door knocking, we work in the **north** during the summer and in the **south** during the winter.

Any questions about anything, please let us know.

In Christ,

Perry Sexton
